WELCOME!

Dear Guest,

I am delighted to welcome you to the 2025 edition of Art in the Park. This year's event features all the staples that returning visitors have come to love, and new guests will be delighted to experience for the first time. We have 2 days jam packed with music, art, dance and engaging workshops with plenty of fabulous food and drink to go alongside.

This year's theme is 'Holiday', as who doesn't look forward to a nice break from time to time? A break is what we aim to provide, whether it is a quiet moment of reflection whilst admiring a piece of art or being whisked away on a wave of wild imagination watching one of our immersive performances, we aim to provide you an escape that will leave you feeling revitalised.

We take feedback from our visitors seriously and last year we noted that some individuals struggled to book into our workshops, so this year we have reduced the need to book and increased the number of drop-in activities to give our visitors more flexibility and more opportunities to participate. So come along and dive into one of these sessions for a splash of fun and inspiration.

As ever, the event could not be possible without the hard work from the back-room team plus all the supporting organisations and sponsors without whom the event would simply not exist, so thank you all for your ongoing and vital support. If you enjoy our event and want to help keep it on the calendar, then please find one of our friendly volunteers at the entrances and tap your card. It only takes a second and we would love to have your support.

I would also like to take a moment to remember Nigel Higgins who was recently taken from us too soon after a short battle with cancer. I was lucky to count Nigel as a very dear friend, for the last 5 years he provided invaluable help behind the scenes of each festival and his insight, passion and altruism will be sorely missed. Nigel was a pillar of the community and there will be many whose lives are a little dimmer without him, my sincere condolences to all those who were fortunate enough to share his light. We miss you Nigel; you will be forever in our hearts and never forgotten.

Allow me to sign off by imploring you to get out there and explore. Discover something exciting, ignite a new passion or simply relax, drift away and soak in your surroundings. Do it your way and indulge in the experience, after all, isn't that what holidays are for?

FESTIVAL ACCESSIBILITY

Art in the Park is a free community festival held in the beautiful heart of Leamington Spa and we're committed to making it an inclusive and welcoming space for everyone.

All of our parks are wheelchair accessible, with accessible toilets located in Jephson gardens, and an additional accessible portaloo in Mill Gardens.

For visitors with SEND needs, we've created a quiet space to retreat to if you need a moment of calm. Keep an eye out for the SEND  symbol throughout

the festival - it highlights areas specifically designed with neurodivergent and sensory needs in mind.

Please note: While there are paved paths throughout the park, exhibitor stands and music stages are located on grass. If you require assistance navigating to these areas, visit our Information Tent next to the Clock Tower, or speak to one of our friendly team members in high-visibility vests - they'll be more than happy to help.

British Sign Language (BSL) interpreters will be present on both music stages, ensuring all musical performances are

accessible to our Deaf and hard-of-hearing visitors.

Lost child wristbands are available at all entrance gates - please ask one of our volunteers if you'd like one for your child.

Above all, we're here to help you have a safe, joyful and inspiring day with your friends and family. If you have any additional access needs or would like to make arrangements in advance, please don't hesitate to email us at: communityofficer@artinpark.co.uk

Let's make this a festival to remember - for everyone.
